Become a Corporate Friend of the Moat Theatre and help keep the Arts alive in your local community.

About us

The Moat Theatre, established in 2003, is your local theatre and is one of the most popular modern theatres in Ireland. We aim to bring a diverse range of high quality performing arts, both amateur and professional, to the audiences of Naas and its environs.

We strive for artistic excellence and aim to offer the widest possible range of programming. We are a regular stop-off for some of Ireland's most celebrated theatre companies. As well as presenting some of the finest plays around, The Moat Theatre stages concerts, pantomime, classical music, comedy shows, ballet, readings, and our gallery hosts exhibitions by local, national and international artists.

We are home to the renowned Moat Club and also support other local drama groups by providing rehearsal and performance facilities. We also provide educational and summer programmes for children and young people. The bustling Theatre Cafe is open daily to the public providing a meeting place and a leisurely atmosphere for audiences to explore the theatre's programme.

The Moat Theatre operates with huge voluntary effort from The Moat Club. Without this consistent voluntary input it would not be possible for us to sustain the quality of excellence we strive for in both our presentation and audience care. However, despite this input, the hours worked over and above those contracted by staff, and the help of our generous benefactors breaking even remains a problem and is a constant challenge. If we are to plan for the long term and continue to produce the kind and quality of shows you've become used to, we need your help.
